Code of Conduct for Southern NSW Team Sorting

Effective from 06/09/2024

Introduction

Team sorting is a fun and exciting sport that involves teamwork, skill, and speed. It is also a sport that requires respect, responsibility and safety for all participants, including riders, horses, cattle, judges, and spectators. This code of conduct outlines the expectations and guidelines for members of the Southern NSW Team Sorting (SNSWTS) to ensure a positive and enjoyable experience for everyone involved.

General Principles

- All members of SNSWTS must abide by the rules and regulations of [Southern NSW Team Sorting](#).
- All members of SNSWTS must act in a courteous, fair and sportsmanlike manner at all times and respect the rights, dignity, and welfare of others.
- All members of SNSWTS must respect and care for the horses and cattle used in the sport and ensure that they are treated humanely, ethically and in accordance with the animal welfare standards of the [Department of Primary Industries and Regional Development](#).
- All members of SNSWTS must comply with the directions and decisions of the judges, officials and organisers of the events, and accept them without dispute or argument.
- All members of SNSWTS must refrain from any conduct that may bring the sport, the club, or themselves into disrepute, such as abusive language, violence, harassment, discrimination, cheating or doping.

Specific Responsibilities

- Competitors must pay their entry fees on time and in full, as per event organiser specifications.
- All members of SNSWTS must wear appropriate and safe attire and equipment for the sport (refer [Rules](#)) and ensure that their horses are fit and healthy.
- All members of SNSWTS must follow the instructions and rules of the event organisers and keep the premises clean and tidy.

Disciplinary Action

Any member of SNSWTS who breaches this code of conduct may be subject to disciplinary action by the club committee, which may include a warning, a suspension or expulsion, depending on the severity and frequency of the breach. The committee will follow the procedures and principles of procedural fairness in dealing with any complaints or allegations of misconduct and in accordance with the Southern NSW Team Sorting Constitution. Any member of SNSWTS who is dissatisfied with the outcome of the disciplinary action may appeal as described in the Constitution.

Acknowledgement

By signing this document, I acknowledge that I have read, understood, and agreed to abide by this code of conduct as a member of the Southern NSW Team Sorting. I understand that failure to comply with this code of conduct may result in disciplinary action by the committee.
